

Against Deaths in Custody (1.14MB) Download & Installation guide

Follow the steps below to successfully download and install the screensaver on your computer. Email us on info@4wardever.org if you have any problems.

Download

- a) Click this link to access our online folder: <http://www.box.net/shared/rf87mk0k8v>
- b) Select 'Download' to start

There are two possible download procedures your computer may present to you when you click on the screensaver title on our download page, these are:

Boxes will appear giving options to "Save File" or "Run" + "Save"

In either case select the tab containing the word "Save"

Choose a location to save the file (we recommend saving to your 'Desktop')

1. Click "Save File" or "Save" as explained above, to start download of file name **Against Deaths in Custody.scr**

The *Against Deaths in Custody* file should download in approximately 1 minute

Install

1. Once download is complete you will see the file ('Against Deaths in Custody.scr') saved on your desktop. Right click this icon and a new box will appear click "Install" and / or;
2. In the next window click "Run"
3. The screensaver should now be saved. Click "OK"

At this stage we would advise you to save the desktop file (we recommend saving to 'C:\WINDOWS\' or C:\DRIVE\') to ensure the screensaver will always work correctly, and if you should need to reload the file.

Screensaver settings

Settings on this screensaver are not adjustable.
